

Press Release

Date: October 15, 2019

Immigration Investment is one of the major trending models that most individuals or corporates are taking advantage of all over the world and we hold the opinion that our Clients' are equally looking forward to tapping into Immigration Investment. Our Office has entered into a cooperation with a multinational Law Firm with various office models in United Kingdom, United States of America, Hong Kong, France, Canada, Singapore, Thailand, Vietnam, St. Kitt & Nevis, Cyprus, Antigua & Barbuda, Cambodia, Dominica, Indonesia, Ivory Coast, Myanmar, and Philippines to achieve this objective.

Our model of cooperation is that the Law Firm will provide the needed assistance to our Clients, through independent contracts with the Law Firm. The services will address the following programs:

Program	Statutory Fees
Antigua & Barbuda Citizenship	Qualifying Investment options: USD 100,000 Donation to the NDF (up to family of four); or USD 400,000 (min.) into approved real estate project
